

h 13.45 **Link connection and signal check**

h 14.00 **Why a Webinar Surgical coaching @ AIMS**
Maggioni Dario

Brief introduction of the goal of a surgical coaching for rectal surgery

h 14.15 **AIMS Academy presentation**
Raffaele Pugliese

h 14.30 **Introduction of the surgical coaching**
Montroni Isacco

Presentation of the “surgical coaching idea” and description of the results of the pre-filled questionnaires of the trainers

h 14.45 **Cases presentation**
Trainers

Each trainer will present 5 slides on the clinical case he is presenting to all the mentors. Mentors will comment on the diagnostic work up done, the therapeutic decision made and the timing of the surgical procedure

h 15.30 **One to one surgical coaching**
Trainers + Mentors

Each trainer will be matched with a mentor on a separate platform to start sharing the surgical pre-edited video. Surgical coaching will then proceed separately on a one to one approach.

h 16.45 **Highlights and comments**
Montroni Isacco

Participants will go back to a shared platform to view the highlights of the different surgical coachings selected by the course director. Mentors will then comment on them

h 17.15 **Conclusions**
Mari Giulio

Rectal cancer network

Winning the daily challenge
of personalized **rectal cancer** management

DECEMBER 03TH - 11TH 2020
